

_____ 's Care Chart

(my degu)

I need to...	SUN	MON	TUES	WED	THURS	FRI	SAT
(Daily) Feed- either degu diet or 50% chinchilla pellets and 50% guinea pig pellets. Fresh veges 2x/week as a treat. Grass hay always available.							
(Daily) Give fresh water.							
(Daily) Exercise outside the cage with frequent handling so your degu gets used to human interaction. Best kept in same sex pairs as they are very social.							
Provide dust baths 1-2 times/week for regular grooming. Clean out waste from the cage daily if possible and replace bedding weekly.
